

## **BHAVESH DASHADIYA**

### **EXECUTIVE – SHE**

#### **GALAXY SURFACTANTS LTD.**

Basically I am fire graduate from The College of Fire Technology (Gujarat University, India) and also completed PDIS & PDIETM from Technical Education Board, Gujarat (India). I have served chemical, engineering as well as construction industries for more than 11 years.

I have worked with MNCs like Gulbrandsen Technologies (I) Pvt. Ltd., SRF Ltd., Avantor Performance Materials & Galaxy Surfactants Ltd. I have versatile experience both in the SHE System of chemicals manufacturing processes and green field project safety system.

I have capability in developing Change management process, establishing Process Safety Management, conducting process hazard analysis (PHA), and organizing emergency management.

Sound experience of environmental management system concepts and techniques to assist with the development & implementation of compliant environmental management systems

I have knowledge in implementation of QMS & ISO 9001:2015, EMS & ISO 14001:2015, OHSAS & ISO 18001:2007.

- TPM – SHE pillar leader
- MR for EMS & OHSAS
