Maddhu NC, has an experience over 23+ years serving the industry and successfully played key roles in Direct Marketing, education, future market, business development & in the area of technology transfer.

He closely associated with various Industrial associations, numerous technical and nontechnical institutions. He initiated and successfully implemented concepts to fill the gaps and to improve the interface between industry with educational institutions and to make understand graduates the industry expectations, work culture and practices

He strongly believes that the strengthen the bottom line of the pyramid is the most important aspect in the prevention of the majority of incidence, therefore increase productivity, and reputation of the organization. On these lines, developed training modules on “Sewer worker Safety” to create awareness and inculcate “safety concessions while handling of sewerage waste” and in the association of National Academy of Construction delivered to over 200+ sewer workers.

In the association of Underwriter Laboratories, UL-DQS (DQS), National Academy of Construction, Corporate Governance Advisory Services, UNIDO, Steinbeis Centre for Technology Transfer India, OBO, LPI, Vishakhapatnam Chamber of Commerce and Industry, MSME-Hyd, Engineering Staff College of India and with more partnerships successfully conducted / facilitated over 100+ technical training programs on Safety, QMS, EHS and OSHA etc.

He was the instrumental for setting up Telangana Chapter and played and supportive role for Andhra Pradesh and Maharashtra chapters.

As a President of ASSE Telangana Chapter (2015-2017), networked various industries across Telangana state and organized various continuous education programs in the areas ENVIRONMENT, HEALTH AND SAFETY by the way of trainings, webinars, conferences and symposiums.

In the year 2015, ASSE and DL Shah Trust honored with National award “Safety India 2015” for his outstanding contribution in Occupational Health and Safety field.

He is also served for ASSE as ASSE Global Region Chairperson, Web, Media and

Communication and now serving as ASSE Global Region Chairperson for STUDENT ENGAGEMENT. ASSE Global Region consists of India, UAE, Middle East, Kuwait, Pakistan, Nigeria, Egypt, Ecuador, Mexico and Philippines.
